The purpose of the Metropolitan Community College Code of Student Conduct is to educate students on their rights and responsibilities as college community members to facilitate an understanding of the balance between individual and college rights; and to promote a safe and inclusive atmosphere conducive to student success.

Students agree to adhere to the rules, regulations, and policies set forth in the code. Students voluntarily assume the obligation to fulfill the responsibilities set forth in the code and to bear personal responsibility for their actions. The college has developed policies, procedures, and standards, which endeavor to protect the rights of each member of the college community.

Students should be aware that the student conduct process is different from criminal and civil court proceedings.

Educational Sanctions typically include one or more of the following: work assignments, essays, community service, behavioral contract, administrative referral, and other related educational assignments.

C. Formal Warning: Formal Warnings emphasize to the student that further violations would result in progressive sanctioning. A student receiving a Formal Warning shall continue to exercise the rights and privileges of a student in good standing.

D. Conduct Probation: Conduct Probation serves as a warning to students that they are not in good standing with MCC. Further violations of the Code of Conduct could result in suspension or dismissal.

E. Facility Suspension: The student no longer has the privilege of entering or using a particular facility or building or college property for a specified period of time or until a specific condition is met.

F. Facility Expulsion: Facility Expulsion entails the permanent loss of privileges to use a building or facility or college property for an unlimited period of time.

V. **Academic Dishonesty**

1. If objective evidence for academic dishonesty exists, the instructor may require the paper, assignment or examination be repeated; lower the grade for this work; assign a grade of F to this work, or assign a grade of F for the course.

2. The instructor will notify the student of a meeting to discuss the alleged academic dishonesty, the proposed penalty and that failure to respond to this notification will make the instructor’s decision final.

3. The instructor will notify the dean responsible for instructional services, in writing, within two business days after the scheduled meeting.

4. Within seven (7) business days by written communication which can include electronic communication. The dean will notify the student of the final grade assigned and the right of appeal.

5. The student may appeal the assignment of an F grade for the course by a written request to the dean within five (5) business days following receipt of the dean’s notification. The student will continue to participate in a course in which academic dishonesty is alleged until the appeal is resolved.

6. Upon receiving this request, the dean will initiate an appeal using the hearing procedure beginning with section VIII.B. In this case, the hearing committee will consist of the dean who will be the nonvoting member and chair and three faculty appointed by the college faculty association president. The committee members must have no personal interest in the case and may consider more than one case during each term.

7. If, in the opinion of the instructor, the alleged academic dishonesty supports other disciplinary options, within five business days after the scheduled meeting with the student, the instructor will report the incident to the dean responsible for instructional services. Copies of this communication will be provided to the student and the appropriate division chair. The dean will commence the
disciplinary procedure described in section VII. The documentation of the alleged violation, provided by the instructor or other complainant, will be retained in the appropriate dean’s office for at least three years.

VI. Prohibited Conduct

1. Any employee who observes a prohibited action is expected to intervene, seek administrative assistance to address the prohibited behavior, or report the behavior to the MCC Police Department.

VII. Interventions

A. Summary Suspension

1. If the president determines that the student’s presence would seriously disrupt the operation of the college, constitute a danger to the health, safety or welfare of the student or others, or to the physical property of the college, the student will be suspended for a period not to exceed five days. If a formal disciplinary procedure has commenced within this period and is diligently pursued, suspension may be continued until the procedure is concluded.

2. During this period, the dean responsible for instructional services will arrange for the student to receive class assignments, take examinations and maintain reasonable academic progress. The student cannot be dropped from a class, as a result of the suspension.

B. Threatening Behavior

There will be occasions when, in the opinion of the instructor, staff or other students, inappropriate behavior by a student involves an imminent threat to safety or threatens to disrupt seriously the classroom or educational process. In these circumstances, the instructor or staff member should immediately contact MCC Police and have the student removed from the class and notify the dean of students of the removal. MCC will develop an incident report and if the behavior is non-criminal will forward the report to the dean of students for a Code of Student Conduct review.

VIII. Disciplinary Procedure

A. Within ten (10) business days after receiving notification of an alleged violation, the dean will request in writing that the student arrange a meeting to discuss the allegations and potential disciplinary action. Notification will be sent by regular mail and to the student’s e-mail account.

B. At the meeting, the student will be asked to respond to the allegations.

C. If the student does not appear for the meeting, the dean may proceed to make a decision based on the information gathered.
D. Following the meeting, the dean will decide whether the student violated the Code of Student Conduct.

E. If the dean determines that the student violated the Code of Student Conduct, he or she will also determine a sanction, up to and including expulsion.

IX. Hearing, Recommendation, and Appeal Procedures

A student may appeal the decision pursuant to the following procedures.

A. Committee

1. Two faculty chosen by the college faculty association president.

2. Two students, appointed by the college student governing body.

3. Two staff members appointed by the college staff association president.

4. An administrator not involved in the investigation or preparation of the case appointed by the president to serve as the chair.

Members chosen will have no personal interest or involvement in the case.

B. Hearing Guidelines

1. The chair will convene an organizational meeting of the committee to receive the case file, review the hearing procedures, and schedule the hearing.

2. At least five (5) business days before the hearing the dean will provide a statement of the charges, list of the committee members, written notice of the location, date and time of the hearing to the student and the complainant by U.S. mail, and to the student’s e-mail account.

3. Before the hearing the student will be given access to the case file retained in the dean’s office.

4. After proper notice, if the student fails to appear before the hearing committee, the action imposed by the dean will be implemented upon the recommendation of the dean and the approval of the president. If the student fails to appear before the hearing committee on an appeal of an F grade assigned for the course as a result of academic dishonesty, the penalty imposed by the instructor will be implemented.

5. Proceedings will be closed to all but members of the hearing committee, the student, the complainant, their advisors, and a witness giving testimony. The student may request an open hearing.

6. The hearing will be tape recorded and transcribed. The recording will remain the property of the college.
7. The student may be assisted by counsel or advisor of choice. If the student will be assisted by counsel, the dean will be notified at least 24 hours before the hearing. If the student is represented by counsel, the committee will have counsel for the college present. Neither counsel may examine or cross-examine witnesses nor participate in the deliberation.

8. The chair may exclude repetitious or irrelevant evidence.

9. The student will be given the opportunity to testify, introduce evidence, call witnesses, and question witnesses for the complaining party.

10. Upon request of the student, the complainant, or member of the hearing committee, the chair may call individuals as witnesses. MCC students and employees are expected to comply.

11. Neither the student nor witnesses may be compelled to incriminate themselves. Refusal to testify is not a code violation.

C. Procedures for Allegations Involving Alleged Sexual Harassment or Sexual Offences or Sexual Violence

If the allegations relate to conduct involving alleged sexual harassment or sexual violence the following additional procedures apply:

1. The complainant will be informed in writing if the dean determines that no grounds or insufficient grounds exist to believe that a violation occurred and dismisses the allegations.

2. The complainant will be informed in writing if a hearing is scheduled for the student against whom the allegations have been made and that he or she may attend the hearing. Upon request, the complainant will be provided with a copy of the written notice of the complaint sent to the student.

3. The complainant will be informed that he or she may have one other support person or an attorney present at the hearing, but this person will be an observer only and cannot participate. The student must inform the dean at least two (2) business days prior to the hearing if a support person or an attorney will be present.

4. If the complainant believes that there are witnesses in addition to those listed in the tentative list of potential witnesses provided to the student who should testify at the hearing, he or she must notify the dean in writing of the identity of those witnesses and the expected nature of their testimony. The complainant may request to review copies of all written evidence that the dean has which may be presented at the hearing. If the complainant has additional written evidence that he or she desires to be presented at the hearing, he or she must provide copies to the dean. Any notice regarding witnesses or copies of written evidence must be provided to the dean at least five (5) business days prior to the scheduled date of
the hearing. The dean will decide prior to the hearing whether to present the additional witnesses or written evidence suggested by the complainant and inform the complainant of the decision as soon as possible prior to the start of the hearing.

5. If the complainant is a witness at the hearing, the student will not be permitted to directly question or cross-examine the complainant. If the student wants to present questions to the complainant, he or she must write the questions down and ask the chair of the hearing panel to ask them. The decision of whether to ask these questions shall be made by the chair.

6. The complainant will be sent a copy of the written decision of the hearing panel.

7. The access of the student and the complainant to information about the other may be limited by the Family Educational Rights and Privacy Act (FERPA), 20 USC 1232g or other laws relating to confidentiality or privacy, and in some cases, these procedures may be adjusted to comply with such laws.

D. Deliberations

1. Deliberations of the committee will be closed.

2. The evidence presented supporting the alleged violation must more likely than not to be true, meaning there is a preponderance of the evidence that the allegation is true.

E. Recommendation

1. Within five (5) business days of the conclusion of the hearing, the written recommendation of the committee will be furnished to the dean who will deliver, by U.S. mail, and student e-mail a copy to the student. The complainant and the president will also receive these materials.

2. Within five (5) business days, the president will review the recommendation and choose one of the following:

   a. Affirm the recommendation;

   b. Affirm the findings and reduce, but not eliminate, the disciplinary action.

   c. Remand the case to the hearing committee for rehearing if errors in procedure or interpretation of board policy or regulation were so substantial as to effectively deny the student a fair hearing, or if new and significant evidence became available which could not have been discovered by a properly diligent student before or during the original hearing.
F. Appeal

The student or complainant may appeal the decision of the president to the chancellor.

1. Notice of Appeal

Within ten (10) business days of receipt of the decision of the president, the party desiring to appeal will notify the chancellor and the other party in writing. If an appeal is not filled, the decision of the president is final.

2. Appeal Statement

   a. Within ten (10) business days after the written notice of appeal, the appealing party will submit a statement stating the basis for the appeal. This statement may be included in the notification to the chancellor.

   b. If the statement is not submitted within the allotted time, the president’s decision is final.

3. Chancellor’s Review

   Within five (5) business days, the chancellor will review the record and the written statements, and choose one of the following:

   a. Affirm the recommendation of the hearing committee or the president.

   b. Affirm the findings of the hearing committee or the president and reduce, but not eliminate, the disciplinary actions.

   c. Remand the case to the hearing committee for rehearing if errors in procedure or interpretation of board policy or regulation were so substantial as to effectively deny the student a fair hearing, or if new and significant evidence became available which could not have been discovered by a properly diligent student before or during the original hearing.

   d. Dismiss the case.

If the allegations relate to conduct involving alleged sexual harassment or sexual violence, the complainant will be informed in writing. If the student appeals they have the opportunity to provide a written statement setting forth why the student believes the decision should be upheld and that he or she may appeal the decision in accordance with the same time period and process as the student.

X. Re-Admittance Process
Following a suspension, students may request, in writing, re-admittance to MCC. The written request should be submitted to the office of the dean of students on the campus where the hearing was held. All sanction requirements must be documented and completed. The request will be reviewed and the student will meet with the dean.

XI. Failure to Complete a Mandatory Sanction

Failure to complete a required sanction is a serious offense. It is considered an additional violation of the Code of Conduct, and will usually result in more serious sanctions being imposed. Students failing to complete sanctions by the required deadlines may be suspended or expelled from the college.

XII. Disciplinary HOLD on Student Record

Within two (2) weeks of a student’s failure to complete a sanction, a HOLD will be placed on the student’s records, and any pre-registration that the student might have already conducted. Thus, it is very important for the student to complete sanctions on time and avoid a HOLD being placed on his or her academic records or registration. A HOLD on a student’s admission, registration, transcript access or financial aid is not an independent penalty, but may be utilized by the college as a means to either direct a student’s attention to subsequent participation in a pending disciplinary proceeding or obtain the student’s compliance with a sanction which has been imposed, or other action which has been taken, under the Code of Student Conduct.

XIII. Confidentiality

Disciplinary matters are kept confidential to the extent required by law.
